Work Experience

FULL-STACK WEB DEVELOPER

Jun 2022 - Sep 2026

Hiyield - Cornwall, UK

The majority of my agency experience was spent at Hiyield, a climate-conscious web agency, working primarily in the WordPress team and later in the web applications team.

- Built fully bespoke WordPress websites tailored to client and industry requirements
- Involved end to end, from initial technical planning through to final launch
- Set up staging and production environments with CI/CD pipelines
- Delivered feature development and QA/testing across projects
- Spent around a year helping build a full-stack application for a mental health charity
- Built and tested components and helped scaffold the project architecture
- Learned a new toolset quickly to meet the client's requirements

Technologies & tools:

WordPress, PHP, HTML/CSS, JavaScript, Vue/Nuxt, Docker, Git/GitHub, Figma

WORDPRESS DEVELOPER

Solve Web Media - Cornwall, UK

I began my agency career at Solve Web Media, which gave me a strong grounding in agency workflows and laid the foundations for my career in professional web development.

- Built WordPress websites from Adobe Illustrator mock-ups
- Maintained existing WordPress websites
- Assisted with content management and QA/testing

Technologies & tools:

WordPress, WooCommerce, HTML/CSS, JavaScript, Adobe Illustrator

FREELANCE WORDPRESS DEVELOPER

Sep 2020 - Aug 2021

Self-employed - Cornwall, UK

I began my professional web development career as a freelance and contract developer.

- Built WordPress websites for clients across a range of industries
- Continued developing my skills through self-directed learning and training
